

KIDS ART CLASS-- FREQUENTLY ASKED QUESTIONS:

How do I sign up?

Signing up is super easy using the AtokaParksandRec.com website. Use the "Register For Art Classes" button and you'll be directed to a website where you can register your child(ren) and pay for the class. The system is safe and secure. You can pay with Visa, MasterCard, or Discover. If you wish to pay with Cash, Credit/Debit cards, or checks in person, you may do this as well. Just come by Atoka Town Hall Monday-Friday 8am-5pm.

How does class enrollment work?

The class is 12 weeks from September 1 – November 17. When you enroll your child(ren), (s)he will be enrolled for the entire course. You pay when you enroll your child(ren). The course is \$100. This is a great price as it includes all instruction and studio time. There is no registration fee. You may opt to purchase a supply kit for \$45, or bring supplies from home. A list of all supplies can be found at the bottom of this post. You may pay with cash, debit/credit cards, and/or checks.

What fees are involved for classes?

A one time course fee of \$100 is due at the beginning of the course. If you choose to purchase the supply kit, it's an additional \$45. This kit includes all materials that will be used for instruction during the class. If you opt not to purchase the supplies, you will be expected to bring supplies from home. I'm offering this option because some students have a well-stocked craft room at home.

Do you offer discounts for siblings?

I'm sorry, due to the limited space and low price, siblings are not eligible for a discount.

Are supplies included in the tuition price?

No. A supply kit may be purchased at time of registration for \$45 (details at the bottom of the page). As I was researching and talking with other parents, I found that some kids have well stocked craft rooms at home. Perhaps your child already has all or most of the supplies, if that is the case you may opt not to purchase the kit. Each family may decide whether to bring supplies from home or purchase a kit. This option is available for those that are just getting started or are ready for some new materials. There is a list of supplies included in the kit at the bottom of this page. If you opt not to purchase a kit, your child will still be responsible for bringing all supplies to class. I'm sorry, there will not be extra supplies available.

My child isn't artistic; can they still take the course?

Yes, all children ages 6-13 are welcome! You don't need to be the next Van Gogh to be part of the fun. This class is all about exploring the creative process.

What should my child wear to class?

Although most of our art supplies are washable, occasionally stains may be a little hard to remove. So, it's best to wear something that you don't mind getting messy. Sometimes, that's part of the fun!

Can parents stay during the classes?

I encourage artistic independence from my students, so I invite parents to use the time to run errands. There is also a foyer with a few chairs just outside the board room for parents to relax during class.

What happens if the class is full?

If our Thursday class fills up, I'll be doing a happy dance then asking Cassi if we can add another day/time. It will depend on facilities availability. I'll make announcements as soon as decisions are made.
